## CAREER OBJECTIVES

---

I am an enthusiastic individual looking to secure a position in web development, where I am able to work with industry professionals and gain experience. After my first experience with coding, I realised that this is something I enjoyed a lot, being able to have a mixture of creativity and logic and turning an idea into a product/service.

## PROJECTS

---

- Graphic Design Client Portfolio
- PWA Weather App
- Recipe App

### Front-end:

### Back-end:

### Deployment:
